

OUTREACH SUMMARY

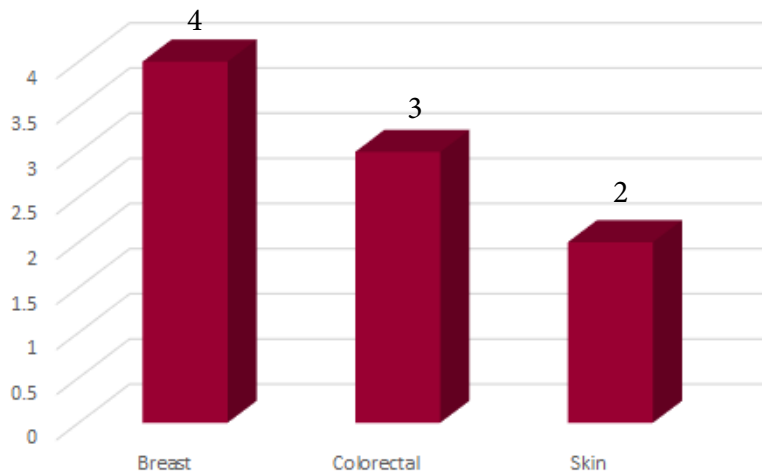

(1/1/19 - 12/31/19)

Mary Bird Perkins Cancer Center is committed to meeting the needs of the residents of Tangipahoa Parish and demonstrates this dedication by providing multiple free cancer screenings and educational opportunities. In 2019, Mary Bird Perkins Cancer Center provided **9** screening events with **168** participants being screened. From those screenings, **36** were navigated because of abnormal findings and **1** was diagnosed with cancer.
