1. PROGRAM DESCRIPTION

The **Favre Family Award for Innovation was created by the Art Favre Family and supported by Favre Family Innovation Fund within the Mary Bird Perkins Cancer Center Foundation** to support the creation of innovative services, programs and technology for Mary Bird Perkins Cancer Center patients.

To effectively save and extend lives, it is essential for the Cancer Center to provide programs, services and technology capable of delivering the absolute highest standard of care for patients. The award will honor individual(s) that exhibit forward-thinking planning and development of pioneering programs and creative solutions to challenges in cancer care today. Innovative programs advance the goals of improving access, enhancing quality of life, and advancing treatment and/or cost--effectiveness of cancer care.

2. ELIGIBILITY

- a.** Any full-time Cancer Center employee employed at the Mary Bird Perkins Cancer Center network or Cancer Services, on behalf of any department or discipline of cancer care, is eligible to submit an application for the Favre Family Award for Innovation
- b.** An employee who won the Favre Family Award for Innovation the previous year shall not be eligible to apply
- c.** Proposals for ongoing projects that do not further the innovation of services, technology or programs of Mary Bird Perkins Cancer Center or Cancer Services are not eligible and will not be considered
- d.** Only one application for the Favre Family Award for Innovation may be submitted per project lead.

3. AWARD DESCRIPTION

The maximum award amount of \$15,000 will be available to support innovative projects. There is no guarantee of either the amount of funding available or the number of awards in future award cycles.

The application should be submitted to online at marybird.org/favre-award by the project lead, along with all required documentation listed on the Instruction for Applications below.

Allowable expenses are supplies, equipment and external professional services, which can be justified as necessary. Salaries for any member of staff is not allowed.

Payment of the awarded funds will typically be made in two installments, but this may vary due to the nature of the innovation that is proposed. Upon project initiation, a portion of funds awarded will be transferred to an account for the project lead; the remainder of the funds will be transferred upon the completion of the milestones established. Any unexpended funds remaining at the time of project completion shall be returned to the Favre Family Innovation Fund.

4. DURATION OF THE AWARD

Work proposed as an Award for Innovation must be completed within a maximum of 24 months. One no-cost extension will be considered only upon request with sufficient justification and documented evidence of continued progress toward the defined project milestone(s). The extension must be requested prior to the expiration of the project period to be considered and reviewed by the Favre Family Innovation Award Board.

5. ACTIVITY REPORTS

Technical and financial activity reports documenting progress toward stated goals will be required. Dates for the reports are below:
