

**SILENT AUCTION DONATION
INFORMATION**
THURSDAY, FEBRUARY 29, 2024 • 6:30 PM
BARRY P. BONVILLAIN CIVIC CENTER

The Gala goes somewhere new every year, and in 2024 we are traveling back in time for a totally radical 80s prom night! On February 29, 2024, The Gala Goes 80s - bringing our community together to raise vital funding to support patients and families facing cancer here in the Bayou Region.

Guests will gather at the Barry P. Bonvillain Civic Center in Houma to enjoy delicious food, creative cocktails, and a beautiful silent auction. In addition, a Prom Court will be announced in the weeks prior to the event. Four men and four women will fundraise in the community and the man and woman who raise the most money for Terrebonne General | Mary Bird Perkins Cancer Center will be crowned King and Queen of The Gala during the event. The Gala Goes 80s is not to be missed!

Donation Information

We are looking for donations to include in the silent auction. With new technology, the silent auction will not be limited to just one night; it will be available online for several days prior to The Gala to allow for more participation than ever before! All donors in this category receive the benefit of their name and donation displayed to everyone attending the event and those participating online. All donations are greatly appreciated and are tax-deductible.
